

Systems Biology Links

Conferences, Meetings, etc

20 - 22 April 2008: BioSysBio, Imperial College London

22 - 24 May 2008: Conference on Systems Biology of Mammalian Cells (SBMC 2008)

Education

Summer School at McGill, Montreal: "Systems Biology Dynamics: from Genes to Organisms" May 20–30, 2008

Lipari International Summer School on BioInformatics and Computational Biology: "Biological Networks: Evolution, Interaction and Computation" June 14 - June 21, 2008, Lipari Island

Announcements, Awards, etc

MTZ Award for Systems Biology - every two years, 2008 for the first time - Prize for dissertations in Systems Biology

Job openings

The UCI Center for Complex Biological Systems (CCBS, UC Irvine) recruits seven positions in Systems Biology [11/1/2007]
